

We – the International DAI Kindergartens in Heidelberg – are looking for full time Early Childhood Educators for our Nursery and Kindergarten

Who are we:

The International DAI Kindergartens currently have 3 locations in the city of Heidelberg caring for more than 150 children from ages 1-6. We use the method of complete immersion to teach the English language to our children. Our concept includes aged groups of 10-12 children with two teachers per group implementing our daily structure. We incorporate programs such as EYFS, Jolly Phonics, Music Appreciation, and an association with our own grade school.

We are searching for:

- Applicants with state recognized Early Childhood Educational degrees or similar.
- Native English speakers
- German speakers for our Nursery (1-3 years old)
- Educators with the ability to create and implement a structured daily plan.
- Team players
- Educators with a passion for working with children in an international setting.

We offer:

- An attractive working atmosphere with an international team
- Small group sizes (10-12 children)
- Weekly preparation time
- Weekly team meetings
- 30 days paid holiday
- Job ticket
- Private pay scale comparable to public kindergartens
- Opportunities for further training

Caught your interest? We look forward to hearing from you.
