A screenshot of a web browser displaying the 'Mailingliste' page on the PH Heidelberg website. The browser's address bar shows the URL 'https://www.ph-heidelberg.de/englisch/aktuelles/maillingliste.html'. The website header includes navigation links like 'PH HEIDELBERG', 'RSS', 'LOGOUT', and 'KONTAKT', along with a search bar. A banner image shows a row of English literature books. Below the banner, a sidebar menu on the left lists 'Aktuelles', 'First Semester Students', 'Mailingliste' (highlighted in blue), 'Personen', 'Studium', 'Forschung', and 'Links'. Two red arrows point from the QR code in the left panel to the 'Mailingliste' menu item and the main content area. The main content area has the title 'Mailingliste' and a welcome message: 'Das Fach Englisch begrüßt alle neuen Studierenden herzlich.' It also contains information about subscribing to the mailing list and a link to the subscription page: 'https://list.ph-heidelberg.de/mailman/listinfo/englisch-stud'.
